

# LEARNING EVOLVED

Miami-Dade Online Academy is a tuition-free, public online school for students in Grades Kindergarten - 12. Our personalized, flexible, and support-rich online learning environment is ideal for:

- Students who prefer to learn without the distractions of a traditional school.
- Students with scheduling constraints, such as athletes and performers.
- Working or traveling students who need additional flexibility.
- Students who want individualized attention from teachers.
- Students wishing to take AP and Honors courses.
