

# TIF *Project RISE*

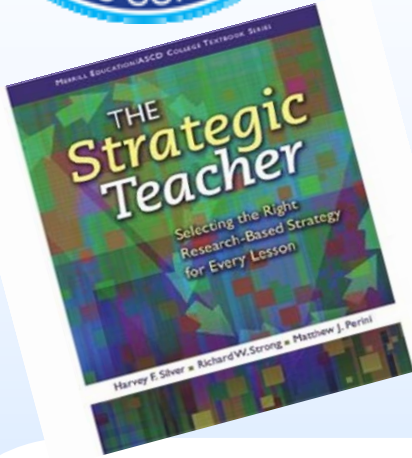

## Summer Leadership Institute

### Summer 2011

Attention *Project RISE* Leaders!

We are thrilled to announce that Dr. Harvey Silver, former teacher and school administrator, and author of several ASCD books, will lead a training for *Project RISE* leaders.

Dr. Silver will lead a 3-day training for school leaders (principals, assistant principals, and *Project RISE* NBCTs) based on his book, *The Strategic Teacher*. *The Strategic Teacher* will be used as a focus for *Project RISE* professional development next school year. This training will enable school administrators and *Project RISE* NBCTs to become familiar with the material in order to effectively support teachers. *The Strategic Teacher* is a tool that will assist teachers in increasing the rigor of instruction.
