

Project RISE...

is a federal Department of Education Teacher Incentive Fund grant awarded to Miami-Dade County Public Schools for implementation at designated high-need schools.

Project RISE...

aims to raise student achievement in high-need schools by transforming school culture through financial incentives and support systems.

Project RISE...

aims to raise expectations for students, teachers, and administrators by establishing learning communities, systems of effective mentoring and embedded professional development.

Project RISE...

aims to have highly qualified teachers in every classroom by raising the number of highly effective teachers.

Project RISE...

aims to elevate the quality of school administrators to ensure effective leadership.
