- This project and any amendments are subject to the procedures outlined in the Project Application and Amendment Procedures for Federal and State Programs (Green Book) and the General Assurances for Participation in Federal and State Programs.
- For federal cash advance projects, monthly expenditures must be submitted to the Comptroller's Office by the 20<sup>th</sup> of each month for the preceding month's disbursements utilizing the On-Line Disbursement Reporting System. Any unexpended general revenue funds must be returned by check issued to the Florida Department of Education with the final expenditure report. The check must clearly identify the project number for which funds are being returned.

- 2 CFR 176.210(b) and (d), provides that recipients are to require their subrecipients to specifically identify Recovery Act funding on their Schedule of Expenditures of Federal Awards (SEFA) by identifying expenditures for Federal awards made under the Recovery Act separately on the SEFA and as separate rows on the Data Collection Form (SF-SAC) required by OMB Circular A-133. Further, in identifying Recovery Act expenditures, the prefix "ARRA" must be used in the name of the Federal program. The information allows the recipient to properly monitor subrecipient expenditure of ARRA funds as well as oversight by the Federal awarding agencies, Offices of Inspector General and the Government Accountability Office.
