Financial Services Richard H. Hinds, Chief Financial Officer

SUBJECT:

ADOPTION OF FIVE-YEAR FACILITIES WORK PROGRAM

**REQUIRED BY S.1013.35, FLORIDA STATUTES** 

COMMITTEE:

INNOVATION, EFFICIENCY & GOVERNMENTAL RELATIONS

**LINK TO DISTRICT** 

STRATEGIC PLAN: FINANCIAL EFFICIENCY/STABILITY

The Five-Year Facilities Work Program is required by Section 1013.35, Florida Statutes to be prepared prior to adopting the district school budget. It is a tentative district educational facilities plan that includes long-range planning for facilities needs over 5-year, 10-year, and 20-year periods and changes will be brought to the Board for approval.

The Work Program has been programmed online by the Department of Education, Office of Educational Facilities on a web-based system and will be submitted electronically upon Board Approval. Year 1 of the work program reflects the Capital Outlay Budget for FY2010-2011. Years 2 through 5 are balanced and reflect the best revenue projections available as well as current priorities. The format of the work program has been prescribed by the state.

Attached is the Five Year Capital Plan reflecting FY2010-2011 through FY2014-15 Total Capital Outlay Revenues and Appropriations Analysis which summarizes the plan. Total revenues and appropriations for the 5 years are balanced totaling \$2.4 billion, which is a \$.7 billion reduction from last year. This reduction reflects a declining revenue environment caused by current economic conditions, legislative reduction of the local optional millage levy for capital, and the related impact to the District's debt capacity. For FY2010-11 through FY2014-15, unfunded existing facilities projects is estimated at over \$2.0 billion.

Please note that the plan reduces transfers to the General Fund in years 2010-11 through 2014-15 for the following programs: maintenance and construction management. Staff will review these programs in the General Fund in order to identify necessary reductions in order to balance these appropriations to available anticipated revenue.

Copies of the work program will be placed on file in the Office of the Recording Secretary to the School Board and in the Citizen Information Center.

NOTE: This item is one of three items, which are part of the 6:00 p.m. public budget hearing, which should only be discussed at that time and should be approved before the Final Adoption of the FY2010-11 Budget.

RECOMMENDED: That The School Board of Miami-Dade County, Florida do the following:

- 1. Adopt the Educational Facilities Plan and the Five-Year Facilities Work Program for 2010-11 through 2014-15.
- 2. Authorize the Superintendent to make minor budget, project and schedule adjustments, if necessary, and report in writing to the Board.
